Dear Customer,

We hope you and your family had a safe and healthy summer this year. Cold weather is around the corner, and now is the time to think about storing your boat for the winter. Shrink wrap is a great way to keep your boat safe through the winter and if you don't have the space, Russell Marine Boating & Outdoors has plenty of space to store your boat as well. Complete this form and submit to Russell Marine Boating & Outdoors to verify your request to shrink wrap. We do require 2 weeks notice prior to summarization. Shrink wrap includes: wiping down the boat with a mildew blocker, adding dehumidifier bags and shrink wrapping the boat. We thank you for your business!
